VISION

A dynamic Ukrainian-Canadian community - a sovereign, democratic and prosperous Ukraine.

MISSION

To foster the Ukrainian-Canadian identity in Canada and support Ukraine's democratic nation-building efforts reflecting Canadian values.

RESOLUTIONS

1. To strengthen communication and cooperation between the League of Ukrainian Canadians/League of Ukrainian Canadian Women and the Ukrainian Youth Association.
2. To strengthen cooperation between the League of Ukrainian Canadians and the League of Ukrainian Canadian Women with respect to the joint development of strategic planning.
3. To continue helping Ukrainian soldiers on the front lines, provide assistance to families of fallen soldiers, and support efforts to rehabilitate wounded servicemen and women.
4. To continue close cooperation with the civic-political organization Vilni Liudy [Free People] and take an active part in actions against Moscow's revanchist fifth column, particularly against Viktor Medvedchuk and the media outlets NewsOne, 112, and Inter.
5. To strengthen contacts with the Canadian media and Canadian politicians in the struggle against Russia.
6. To mobilize and coordinate all intellectual, technical, and financial options and all existing media with pro-statehood orientation in order to create a single, modern, hi-tech, and efficient information agency—a media consortium that will become an instrument in the struggle against Russian aggression, the information war, and revanchism of the pro-Russian forces in Ukraine, Canada, and throughout the world.

We have great strength. It is in our history, in the ideology that unites us, in the shared vision and understanding of our tasks and prospects. On the basis of this, we have drawn up a clear-cut action plan, compliance with which will assist us in fulfilling these resolutions and achieving a positive result.
